Dedication

We are pleased to dedicate this Town Report to all the men and women serving in Operation Desert Storm, for their dedication, patriotism and courage.

The Board of Selectmen voted that February 14, 1991 be proclaimed "Remembrance Day" in honor of the troops.

PROCLAMATION

August 25, 1990 Senior Citizen Day

whereas: elders age sixty and over constitute 17.5% of the population in Massachusetts, and

whereas: the American dream includes a belief in self-reliance, a respected place in the community, and independence, and

whereas: elders have provided valuable models of character, talent, wisdom, knowledge, and ability which have enhanced and continue to greatly enhance our society, and

whereas: as the people and the communities of Massachusetts enter a new era rich in promise and of economic change and social challenge, elders are actively accepting new opportunities and challenges, and

whereas: the presence of Councils of Aging, Senior Centers, Home Care Corporations, and Area Agencies on Aging helps to forestall or minimize the need for institutionalization of Massachusetts elders, and

whereas: the principle of elders helping elders is essential to the maintenance of life of elder independence,

now, therefore, We, the Board of Selectmen of Mendon, Massachusetts, do hereby proclaim August 25, 1990, as "Mendon Senior Citizen Day."

Robert R. Kelly, Chairman
Joseph M. Fabbricotti
William F. Ober

Town Clerk

Three elections were held in 1990 — the Annual Town Election, State Primary, and the State Election. The Board of Registrars registered 261 new voters in 1990. As of Dec. 6, 1990 voters have a choice of five political parties to enroll in. In addition to Democratic and Republican, we have Independent High Tech, Libertarian, and New Alliance.

There were 56 births, 18 marriages, and 27 deaths recorded in Mendon in 1990.

Licenses sold:

Fishing/trapping licenses	51
Hunting/sporting licenses	55
Primitive Arms stamps	14
Waterfowl stamp	12
Wildlands Conservation stamp	7
Dog licenses	367

Fees Collected:

Dog fees turned in to Worcester County	$2248.00
Dog license late fees	135.00
Raffle Permit/Junk License	215.00
Sale of street lists, copies, etc.	899.20
Town Clerk fees	2680.50

Respectfully submitted,

Margaret Tetreault
Town Clerk

Special Town Meeting March 27, 1990
Proceedings

The Moderator, Rolland Morin, Jr., called the meeting to order at 7:30 pm. A five minute recess was then called to allow voters to finish coming into the meeting. The Town Clerk noted that the warrant had been duly posted and served. Non-residents and non voters requesting and gaining admittance were:
Melissa Martin, daughter of voter
Linda Kearsley, reporter for Milford Daily News
Darryl Forgione, non-resident

The moderator dispensed with the reading of the warrant.

ARTICLE 1 Voted to appropriate $5,376.57 to the Street Light Account.
Majority Voice Vote.

ARTICLE 2 Voted to transfer $1,140 from the Town Hall Salaries and Wages Account to the Town Hall Expense Account.
Unanimous Voice Vote.

ARTICLE 3 Voted to amend Chapter V, Section 1 of the town bylaws by inserting the sum of $10,000.00 (ten thousand dollars) in place of the $4,000.00 (four thousand dollars).
Unanimous Voice Vote

ARTICLE 4 Voted to transfer $1,000 from the Police Salary and Wage Account (full time), $2,000 from the Finance Committee Reserve Fund, and $474.25 from the Police New Equipment Account to the Police Overtime Account.
Unanimous Voice Vote

The warrant was dissolved at 7:44 pm. The teller was Mary Ames; the officer on duty was Edgar Cram. Twenty-three (23) voters were in attendance.

Majority Voice Vote

ARTICLE 12 The Planning Board moves that the town vote not to rezone this parcel of land, which was described in the warrant, from business/residential to business use.

Report of the Planning Board

It is the recommendation of the Planning Board that this Town Meeting not approve the proposed zoning change in Article 12.

The Planning Board believes that an expansion of the business district at this site, even by the small area proposed, and at similar sites is inadvisable so long as the permitted uses currently in the town's zoning code are still in place. The Board notes that the parcel in question is located at a major roadway intersection in town, abuts town property — the elementary school — and is a prominent historic site.

In any event, the authorized use of the parcel in question may be changed from residential to commercial through the use variance bylaw administered by the Zoning Board of Appeals. Through this process, more control over development of this key parcel is available to the town.

Motion passes by a Majority Voice Vote, no zoning change.

ARTICLE 13 Motion was made to pass over the article.

Defeated	yes	47
	no	55

Voted to amend Section 2 of Article 13 by changing the second word from "ten" to "thirty".
Majority Voice Vote

Town Clerk

Board Of Selectmen

During 1990, the town continued to grapple with the state's growing fiscal crisis, as well as the local economic downturn, including the collapse of the two largest local banks.

The town also experienced a severe downturn in the real estate market, with many unfinished housing developments and bankrupted builders, causing a significant increase in uncollected real estate taxes and a negative free cash in the town's operating budget.

The Board has been and continues to work closely with all departments to control expenses, and manage the impact on services, while at the same time plan for the future.

As usual, the town pulled together to accomplish two very important projects. During July of 1990, the town was presented with a new and well equipped playground at our ballfield located on Taft Avenue. Thanks to the tireless effort of the Playground Committee all monies used were the proceeds of donations and fundraising.

During this past year, the Council On Aging spearheaded a drive to build a new Senior Center on town owned land on Providence Road, and that facility was presented to the town on October 28, 1990. Again, the building was accomplished completely on donations and volunteers.

At the Annual Town Meeting in May, the town voted the funds to construct a new highway barn on Providence Road, and the project will hopefully be complete by the end of 1991.

The 90's will prove to be a challenging time for Massachusetts and the cities and towns within. Mendon will be no exception. The Board will pursue all avenues of providing services at reasonable costs, including the coordination of town services with our neighboring communities.

We urge everyone to stay involved with the decisions facing Mendon, to be able to make informed decisions about how our town runs.

During 1990, the board acted on the following items:

1. The Board received information from the Department of Employment and Training stating that the Health Security Act of 1988 requires that employers of six or more employees contribute to a new Medical Security Trust Fund. This fund will be used to offer health care coverage to Unemployment Insurance claimants which do not carry insurance coverage.

2. Notification was received from Town Counsel, Louis J. Noferi, Jr. regarding a reform made in public contracting which are as follows: 1) contracts over $10,000.00 need be publicly advertised with selection based upon either the lowest bid or the most advantageous and 2) contracts between $1,000.00 would be based upon telephone solicitation of three prospective vendors.

3. The Board appointed Selectmen's clerk Claudia Cataldo as Procurement Officer for the Town for the purchasing of supplies. The combined purchasing of supplies for all departments will result in a savings for the Town.

4. The Board sends a letter to Sen. Louis Bertonazzi and Rep. Marie Parente regarding a rate increase for Medex III. This increase had imposed a hardship on senior citizens. They have raised concerns they will no longer be able to afford to pay for insurance coverage due to the increased rates.

5. Board accepts with sincere gratitude a donation from Carlo Molinari, Inc. to the Town of Mendon Park Department. Donated were a 1980 used Ford pickup truck, a 1985 used Leroi air compressor and a 1985 used Leroi air compressor for parts.

6. On March 13, 1990 the Board voted to place two debt exclusion questions for repairs at the schools and one operational override question on the May election ballot.

The Board also voted to place a 2 1/2 debt exclusion question on the ballot for the purpose of purchasing a new thousand gallon Front Line Pumper Fire Truck.

7. In an effort to reduce the annual cost of street lights the Board voted on March 26, 1990 to disconnect the depreciated 1000 watt incandescent lights. The disconnections will be done by Mass Electric at no cost to the town.

8. The Board granted permission to the Mendon Lions Club to conduct a six mile walk to raise funds to purchase an eyemobile which will cost approximately $180,000.00. The walk was conducted nationwide.

9. On March 26, 1990 the Board voted to place articles on the Town Meeting warrant for the construction of the new Highway Barn to be built on town owned land located on Providence Street.

10. The Board voted on March 27, 1990 to turn control of a 3.86 acre parcel and a 43,429 sq. ft. parcel of land located on Colonial Drive over to the Park Department to be used for soccer and baseball fields.

11. The Board granted its approval to the Brothers of the Brush to begin preparations for Mendon's 325th Anniversary celebration which will take place in 1992.

12. On April 9, 1990 the Statement of Understanding between the Red Cross and the Town of Mendon concerning disaster occurrences was signed by the Board.

13. The Board met with residents of Hartford Avenue West to discuss problems which exist after the reconstruction project of Hartford Avenue West had been completed. In an effort to address the problems presented to the Board by the residents, work was completed by the Highway Department under the direction of the Board of Selectmen to alleviate these problems.

14. The Board voted on April 30, 1990 to increase the fee for a yard sale permit from $2.00 per day to $5.00 per day. The limit of yard sales allowed per year was also increased to four per year. The fee for a junk license was increased to $25.00 per year.

15. On May 8, 1990 the board officially welcomed Bill Ober as the newly elected member.

    Bob Kelly is nominated by his fellow Board members to serve as Chairman of the Board.

16. Upon the defeat of the debt exclusion questions for repairs at the schools on the May ballot, the Board scheduled a Special Town Meeting on June 7, 1990 at which time the townspeople would have the opportunity to approve the debt already voted by the School Committee to fund the repairs at the schools.

17. On June 4, 1990 the Board gave its approval to the Council On Aging to relocate the Coordinator's office currently located in the lower level of the Town Hall to the newly constructed Senior Center.

18. The Board received an update from the Recycling Committee which has been working diligently to incorporate recycling in Mendon. The first recycling pickup took place in July.

19. Upon the reassignment of Rev. John Gibbons of the Unitarian Church and Father Gee of St. Michael's Church the Board thanked them for their spiritual guidance they have given while serving their respective parishes.

20. On June 18, 1990 the Playground Committee came before the Board of Selectmen to turn over to the Town of Mendon the newly constructed playground called Kids Korner. The Board commended all the individuals who served on the committee. The Board turned Kids Korner over to the Park Department.
    A ribbon cutting ceremony was held at Kids Korner on July 29, 1990.

21. Based on the passing of the four articles at the Special Town Meeting on June 7, 1990, the Board voted to place three debt exclusion questions on the state election ballot in November in an effort to fund the debt which was approved by the townspeople at the Special Town Meeting.

22. On behalf of the Blackstone Valley Health Group Senator Bertonazzi has personally filed legislation which would address the problems recently encountered with securing and maintaining health insurance coverage for town employees.

23. On August 6, 1990 the board voted to ask Sen. Bertonazzi and Rep. Parente to file legislation to exempt the Town of Mendon from Chapter 7, Sections 38 A 1/2 — 38 0 and Chapter 149, Sections 44 A — 44 G for the purpose of constructing a new highway. The Home Rule Petition will exempt Mendon from the Public Bidding Statute.

24. The Board voted to maintain Blue Cross/Blue Shield Master Health Plus as the Town's primary health insurance carrier.

25. The Board voted to proclaim August 25, 1990 as Senior Citizens Day. This proclamation was read by and presented to the senior citizens of Mendon by Robert R. Kelly, Chairman.

26. On December 3, 1990 the Board adopted revised cleaning specifications for the Town Hall.

27. Robert Kelly steps down as Chairman of the Board on December 3, 1990. Joseph Fabbricotti is nominated by his colleagues to serve as Chairman of the Board.

28. On December 10, 1990 the Board held a public hearing to discuss the two Sunday openings before Christmas and New Years for Package Stores. Notification was received from the Alcoholic Beverages Control Commission which permits these openings under Section 316 of Chapter 150 of the Acts of 1990. The Board voted to allow these openings on Sunday December 23rd or 30th for the hours of 12:00 noon to 6:00 P.M.

The following are appointments made by the Board of Selectmen during 1990:

January 3	Debra D'Alessandro	Finance Committee
January 16	Michael Ammendolia	Affordable Housing Committee
January 16	William Aten	Affordable Housing Committee
January 22	Beverly Harding	Board of Registrars
January 22	Albert Gallant	Custodian

March	12	Doris Pierce	Council On Aging
March	12	Clarence Grant	Board of Registrars
March	12	Casey Vandervalk	Blackstone Valley Regional School Committee
April	2	Francis Irons	Municipal Building Committee
April	9	Mary Barrows	Mendon Arts Council Committee
April	23	Dorothy Phillips	Council On Aging
May	21	Andrea Hogarth	Finance Committee
June	18	Terece Zaccarino	Mendon Arts Council Committee
June	18	David Lowell	Mill River Advisory Committee
June	18	Linda Varney	Mill River Advisory Committee
June	18	Roy Bors-Koefoed	Mill River Advisory Committee
July	23	Edgar Cram	Constable
July	23	Robert Klein	Constable
July	23	Neal Rapp	Finance Committee
July	23	Anthony Chinappi	Chairman—Capital Planning Comm.
August	6	William Flaherty	Land Acquisition Committee
November	13	Donna Lapsley	Council On Aging
November	13	Nancy Leutert	Council On Aging
December	3	Cynthia Cashorali	Custodian
December	10	Peggy Phipps	Council On Aging
December	31	Francis Irons	Special Employee—Force Account

The following resignations were accepted by the Board during 1990:

January	3	Michael Merolli	Blackstone Valley Regional School District Committee Member
March	12	Officer Michael Sutton	Police Department
March	12	Robert Caron	Municipal Building Committee
August	6	Harry C. Stewart, Jr.	Municipal Building Committee
October	1	John Robertson	Planning Board
October	30	Mary Barrows	Mendon Arts Council Committee
October	30	Jacqueline Flaherty	Mendon Arts Council Committee
November	13	Kathryn Smith	Council On Aging
November	13	Dorris Pierce	Council On Aging

We would like to extend to our staff, committees, commissioners, all town departments, and the residents of Mendon our sincere gratitude for their support during 1990.

Respectfully submitted,

Joseph M. Fabbricotti, Chairman
Robert R. Kelly
William F. Ober

Council on Aging

The Council on Aging respectfully submits their report for the year ending December 31, 1990.

Appointed to the Council on Aging in 1990 by the Board of Selectmen were: Dorris Pierce, Dorothy Phillips, Nancy Leutert, Donna Lapsley and Peggy Phipps. During 1990 the Council accepted resignations from Dorris Pierce, Madeline Taft and Kathy Smith.

Maxi-van transportation, a hot lunch program, Visiting Nurse Association clinics, surplus food distribution and referrals to elder service programs were offered throughout the year by the Council office.

August 25, 1990 was proclaimed Senior Citizen Day by the Board of Selectmen. Mrs. Margaret Morrison was honored as Senior Citizen of the year at chicken barbecue given by the Mendon Lions Club.

In September the Council applied for a grant from the Executive Office of Elder Affairs. The grant was approved and received by the town in December.

The Mendon Senior Center officially opened on October 28, 1990. An open house was held at the center with over 300 people attending. The Council is extremely thankful to everyone who donated so generously to make the center a reality.

Senior newsletters were mailed to all Mendon residents age 60 and older in January, March, May, July, September and November.

A Christmas Dinner for seniors was sponsored by the Mendon Police Association on December 16, 1990.

Respectfully submitted,

Thomas M. Hackenson, President
Marion Stevens, Vice-President
Donna Lapsley, Treasurer
Nancy Leutert, Secretary
Karen Lowell, Coordinator

Highway Surveyor

Road and drainage repairs were drastically affected in calendar 1990 due to the financial condition of the Town. Our road material account for fiscal 1991, which starts July 1, 1990, was reduced by 42 percent.

The following is a list of projects completed during calendar 1990:

Park Street:	Approximately 1,438 feet from house No. 67 to No. 86 was reconstructed and paved with Type I Hot Top. A large section of ledge was blasted and removed from this area.
George Street:	12" X 80 feet used RC pipe from catch basin at Neck Hill Road northerly.
Neck Hill Road:	New catch approximately 200' from George Street intersection and 12" X 24' used RC pipe with Stone Head Wall.
Blackstone Street:	18" X 123' PVC pipe southerly from Main Street to catch basin. New catch basin approximately 126 feet from Main Street.
Bates Street:	Cracks were filled with asphalt cement from the intersection of Bellingham Street to house No. 68.
Bellingham Street:	Asphalt cement was applied to the full length of road. This preventative maintenance will extend the life of the road.

Application for funding assistance in the Acquisition of Warning & Regulatory Signs was submitted in April 1990 and $3,146.00 was granted to the Town by the Governor's Highway Safety Bureau.

I would like to thank the voters at the Annual Town Meeting for their support of the overdue New Highway facility.

Respectfully submitted

Thomas P. Guerra
Highway Surveyor

Building Commissioner

Permits issued during the year 1990 are as follows:

New Homes (single family)	22
New Homes (duplex	2
Alterations & Repairs	18
Decks, Porches & Screened Porches	19
Additions	8
Sheds & Barns	15
Pools & Accessory Buildings	11
Garages	4
Foundations	13
Stoves & Chimney	14
Commercial Alterations & Repairs	1
Total Permits Issued	127

Twenty-One (21) Certificates of Inspection were issued. Three (3) Sign Permit Applications were issued. A total of $11,533.00 was turned over to the Town Treasurer.

Respectfully submitted,
Thomas D. Hackenson
Building Commissioner

Plumbing Inspector

During the year 1990 there were a total of Sixty-Nine (69) permits issued. The sum of $2,433.00 was turned over to the Town Treasurer.

Respectfully submitted,

Robert J. Rossetti
Plumbing Inspector

Gas Inspector

During the year 1990 there was a total of Twelve (12) gas permits issued. A total of $411.00 was turned over to the Town Treasurer.

Residents are reminded that if there is any type of work performed on their gas installation or appliances in which lines are disconnected and then reconnected, such work MUST be done by a licensed gas installer and a permit MUST be obtained for same.

Respectfully submitted,

Robert J. Rossetti
Gas Inspector

Wiring Inspector

During the year 1990 wiring permits numbered 1361-1466 were issued. The total value of $3,020.00 was received and turned over to the Town Treasurer.

Respectfully submitted,

D. Edmund Gallant
Wiring Inspector

Historical Commission

The Mendon Historical Commission's activities during the FY 90/91 are as follows:

— The Commission along with the Local Historic District Study Committee held three slide shows entitled "Mendon's History and Architecture."; in conjunction with the Miscoe Hill Middle School 6th graders held a public presentation on their Adopt-A-Historic Building Program; held a public workshop on local historic district at the Unitarian Church.

— The Historical Commission by way of the Board of Selectmen entered into a cooperative agreement with the Blackstone Valley National Heritage Corridor Commission. Funding from the Corridor Commission to the town of Mendon shall not exceed $2,750. The funding is directed towards programming and displays relating to the town's historic resources and the Local Historic District Study effort.

— The Historical Commission by way of the Board of Selectmen hired and are working with a consultant to develop a series of exhibits and maps relating to the local historic district.

— A partnership between the town of Mendon, the Blackstone River Valley Heritage Corridor, Mendon Arts Council, local businesses and the Miscoe Hill Middle School faculty and 6th grade students enabled the students to develop "Walking Through Mendon Village" pamphlet.

— At the annual statewide Historic Preservation Leadership Conference the Historical Commission, 6th grade students and their faculty gave a twenty minute presentation on the pamphlet project.

The relationship of historic development patterns and natural features provide the character elements which define any community. With your continued support the Historical Commission will continue to provide educational and planning initiatives to enhance Mendon.

The Historical Commission is pleased with last year's accomplishments and would like to thank all the town's citizens for their support.

Respectfully submitted,

R. Christopher Noonan, Chairperson
Members of the Commission are:
R. Christopher Noonan
E. J. Coleman
Janice Muldoon-Moors
Valerie Vincent
Jean Brennon

Board of Appeals

The Board held 3 hearings in 1990 in response to petitions for variances. Two were granted, one denied. This was a significant reduction from previous years — probably due to reduced economic activity.

Donald H. Keller
Chairman

Conservation Commission

In the year 1990, the Mendon Conservation Commission worked with seventeen building proposals under the Wetlands Protection Act (Massachusetts General Laws 131-40). This law requires that any filling, dredging, removing, or altering within one hundred feet of wetlands or land subject to flooding be regulated by an order of conditions. The Commission worked with the following proposals:

Septic repair, 37 Neck Hill Road: Raymond Zaccarino
Subdivision, West Hill Estates: Windsong Associates
Tight tank installation, 41 Taft Avenue: John Bassignani
Tight tank installation, 43 Taft Avenue: Nancy Hixon
Subdivision, East Woods Estates, Neck Hill Road: Daisy Hamilton
Subdivision, Round Meadow Brook, Providence Road: Afonso Realty
House, lot 36, Washington Street: Julie Noonan
Subdivision, Quissett Hill Estates, Providence Road: Al Carboni
Houses, lots 5 & 6, Mill River Drive: Abram Rosenfeld
House, lot 1, Hopedale Street: Kevin Smith
Houses, lots 3, 10, 12, 29, 30, 32, & 36: Woodcrest WGB
Tight tank installation, 19 Taft Avenue: Salvatore Tinio
Highway Barn, Providence Road, Building Committee
House, lot 29, Kinsley Lane: David MacEachern
House, Northbridge Road: John & Diane Accica
Driveway & barn, 75 Mowry Street: Willis Reed
House, lot 66, Asylum Street: A & A Tetreault

The Commission adopted a no wetlands loss policy as was advocated by M.A.C.C. Projects that propose work near wetlands must indicate that alternative plans have been considered to avoid adverse impact on the wetlands. When avoidance is not possible, only projects having minimal environmental adversity will receive an order of conditions. Wetlands filled must be replicated on a one to one basis.

The nineteenth annual town cleanup was conducted on April 14, 1990. One hundred twenty-five volunteers helped to make the project a continued success. Workers picked up roadside litter throughout the morning, and then were treated to a lunch provided by the Mendon Lions' Club. The Commission expressed special thanks to the Lions' Club, Kimball Trucking, Garelicks' Dairy, the Mendon Police Department, the Mendon Highway Department, N.E.W.S. Trucking, Victory Supermarket, Rob Bethel, Redwood Drive-In, and Duane Nelson for their help and contributions.

Arbor Day ceremonies were conducted on April 27, 1990 at Founders' Park. The Mendon Girl Scout Brownies under the direction of Karen O'Brian planted Bradford pear trees along Main Street to replace trees that had been vandalized the previous year. The Miscoe Hill Middle School Student Council planted four trees at Sunrise Apartments. Mrs. Orise Tetreault received a proclamation from Governor Dukakis in recognition of her efforts in re-establishing Arbor Day in Mendon.

Voters at the annual town meeting approved the Commission's Water Protection article. The new by-law prohibits the installation of underground fuel storage tanks within two hundred feet of a wetland. It also prohibits the filling or altering of wetlands for the construction of a new septic system.

Aquatic Control Technology Inc. of Northboro administered the annual weed maintenance program for Lake Nipmuc in June. A follow-up treatment to the Kinsley Lane cove was administered in August. A.C.T. has successfully treated the lake since 1976.

The Commission would like to pay special tribute to the late James H. Grant, who died on August 2, 1990. Mr. Grant was chairman of the first Mendon Conservation Commission in 1964. He led the drive to purchase the White's Beach property on Lake Nipmuc with fifty percent reimbursement from the state's Self Help Program. He was instrumental in creating Mendon's beach and recreation program. He later served the town on the School Committee and on the Board of Selectmen.

Respectfully submitted,

Ian O. Denton, Chairman
Richard M. Grady
James Kirkpatrick
Susan Noonan
Nancy Robertson
Susan Robertson
Kevin Rudden

Board of Health

The Board of Health had a very busy year setting up a recycling program which is slowly getting off the ground. With the outstanding efforts of our recycling sub-committee, the Board signed a contract for curbside pick-up of glass and news print. A contract was also signed for a sixty (60) cubic yard metal container that has been placed in the rear of the Town Hall.

The Board also worked on ways to reduce the budgets on rubbish and recycling cost. The more people actively involved with recycling will help significantly to reduce the tipping fees at Wheelabrator Inc. The Board welcomes any suggestions and in-put from the towns people to help make the recycling program a success as well as a recycling program the town can be proud of.

Do to the poor economic conditions, building has been exceptionally slow, the Board issued only Eighty-four (84) septic permits under Title 5. These permits included repairs and new construction. Four (4) Tight-Tank permits were issued for use at Lake Nipmuc after being approved by the State. Each of the Tight-Tank permits were issued to permanent residents who demonstrated over a long period of time that a regular system could not be adequately installed under Title 5.

Thirty-Six (36) Food Permits were issued to food service establishments. The number increased by one (1) over 1989.

The Board participated in the Annual Rabies Clinic, and again funded the Visiting Nurses Association.

Respectfully submitted,

William W. Butler, Chairman
Michael A. Tetreault
Harry C. Stewart

Planning Board

In 1990 there was one (1) subdivision plan approved by the board.

East Woods Estates	Hamilton Court and Albritton Court (Off Hartford Avenue East)

There were several 81P Plans submitted.

There are several subdivision plans still under consideration. The board is also reviewing several revised definitive plans.

John Robertson stepped down from the board in September 1989. John was a welcome addition to the Planning Board and is missed by all.

Respectfully submitted,

R. Bruce Jamieson, Chairman
Peter I. Denton
James F. Ruhan
Karen O'Brien

Animal Inspector

Housing Authority

The Mendon Housing Authority administers two programs. At Sunrise Apartments we have 30 units under Chapter 667, state-aided low rent housing for the elderly. Under Chapter 707 Rental Assistance for low income families, we have two certificates.

To be eligible for either program, the income limits are:

One person	$19,992
Two persons	22,848
Three persons	25,704
Four persons	28,560

Assets may not exceed $15,000 or one and one-half times the net income, whichever is greater.

We had 9 vacancies in 1990. The last two years we have had an unusually high number of vacancies. Both 707 certificates are in use.

This year the Authority, with the help of modernization funds from the Commonwealth, installed 50 new steel doors and 48 new storm doors.

The Authority wishes to thank the Mendon Highway Department, the Firefighter Association wives, and the Mendon Girl Scouts for their contributions to the safety, comfort, and happiness of Sunrise residents during the past year.

Respectfully submitted,

Margaret Tetreault
Executive Director

Library Trustees

Continuing to enhance service for patrons through the increased computerization of library activities and expanded programing for adults and children was the primary goal of the Taft Library Trustees in 1990.

The entire circulation system for the library along with the ability to create catalogue cards is in the process of being computerized. During this process, the library collection is being inventoried with unused materials being withdrawn and areas of need being prioritized for future purchases as the budget allows.

Over 500 adults and children attended a variety of entertaining and educational programs this year. Included were the children's Summer Reading Program which raised about $200 worth of food items for Winter Haven Shelter and an open house for teachers in the Mendon-Upton Regional School district acquainting them with Taft Public Library materials and books that are available for student and classroom use. Library aide, Risa Eldridge and the Friends of Taft Library are thanked for making these programs possible.

Resignations were regretfully accepted from Librarian assistant, Lauren Cullen and aide, Amy Butcher. Linda Pomeroy and Kevin Hastings were hired to fill those positions.

Respectfully submitted,

Carol Baptiste, Chairman

Park Department

In May, a playground was built entirely from donations and fund raisers, with labor supplied by Town volunteers. Called Kids Korner, it is located at Memorial field. More brush and trees were cleared from Memorial Field. New grass was put in the New Upper parking lot and the road to Kids Korner playground was tarred also all the bleachers were painted. Brush was cut back in all cemeteries, grass mowing and maintenance to the cemeteries, monuments and ball fields was done as needed. Also some grave sites were filled with loam because they had sunk. Our beach provided a successful summer recreation and swimming program. For the first time we were forced to charge user fees at the Town Beach and increase the cost of providing swimming lessons to the children.

Despite a tremendous cut in the budget, the Park Department is proud of its accomplishments in 1990. We wish to thank our beach staff led by Mike Lauzon, Director; Jeff Carlson Water Safety Instructor; Lifeguards, Debra Weatherbee, Kathy Payne, Christopher Lauzon, Brian Collins, Keith Collins.

We also with to express our gratitude to our grounds keepers who did such a fine job keeping our parks well groomed.

Respectfully submitted,

Robert Carlson, Chairman
Paul Garagliano
Dennis Tetreault

Fire Department

To the Honorable Board of Selectmen and the Citizens of the Town of Mendon.

For the year ending December 31, 1990 the Fire Department reports the following summary of calls:

Structure	8
Vehicle	3
Chimney	9
Furnace	2
Oven	1
Stove	1
Gas Grill	1
Motor Vehicle Accident (With personal injury)	23
Motor Vehicle Accident (Without personal injury)	4
Wash Downs	6
Rescue Calls	4
Mutual Aid	1
Bombscares	1
False Alarms	21
Illegal Burning	3
Permits out of control	7
Brush	3
Investigations	31
Stand by Duty	19
Oil Burner Inspection	64
Smoke Detector Inspection	83
Brush Fire Permits	769
Blasting	18
Black Powder	4
L.P. Gas Permits	18
Flammable Liquids	14
Total	1118

We wish to thank the Board of Selectmen and all Town Departments for working so well with the Fire Department, as well as the many local business people who contributed to the support of the Department.

As stated in past years, the Fire Department is in need of a new Primary Attack Vehicle to replace our 28 yr. old Engine #1. We do not have what is considered to be a First Line Pumper.

At present we are running a 28 yr. old 1962 Engine #1; a 21 yr. old 1970 Engine #2; and a 16 yr. old 1975 Engine #3; a 24 yr. old 1967 Brush Truck and 2 Army Surplus Emergency Generators which are 36 yrs. old.

We must start to replace our major capital equipment and plan to replace another piece of equipment every 5 yrs.

It is you who will benefit from the final result, and it is only you who can give us the tools to work with. You have been supportive over the past years and for this we are extremely grateful.

Promotions made in 1990 are:

Firefighter Gary Taft promoted to Lieutenant in charge of Engine #2.

Firefighter Richard Corcoran promoted to Lieutenant in charge of Engine #3. Lieut. Corcoran is also our Emergency Medical Technician Instructor.

All fire department Personnel received training in First Aid and CPR.

The Members of Fire Department will continue to be trained by the Massachusetts Firefighting Academy to keep them updated on all the new firefighting techniques.

Respectfully submitted,

Gioachino F. DeLuca
Fire Chief

Police Department

To the Honorable Board of Selectmen and the Citizens of the Town of Mendon:

The following is a record of the Mendon Police Department and its activities for the year ending December 31, 1990.

Motor Vehicle fines from Milford District Court:	$52,032.78
Answering Service Calls:	4,127

In March of 1990, we lost a full time police officer, Michael Sutton, to the Hopkinton Police. Mike was a fine officer who will be missed.

All officers received training in CPR and First Aid. This training was provided by certified instructors of the American Heart Association, including our own, Detective Ernest Horn.

All officers were trained and qualified with their service weapons. Many officers purchased their own Glock, 9mm, semi-automatic weapons. These officers received specialized training and qualified with this weapon. All officers also were qualified with the shotgun.

A full time officers received a one week course of In-Service training, provided by Ma. Criminal Justice Training Council.

All Reserve Officers received a 27 hour course of In-Service Training, also provided by Ma. Criminal Justice Training Council.

The Mendon Police Department is still an active member of the South County Task Force. This mutual aid agreement, set up with 11 of our surrounding towns was formed to combat drug abuse. We continue to work well with these towns, as well as the CPAC unit of the District Attorney's office.

The police department received a 1991 Ford, Crown Victoria, for its new cruiser this year. Our 1988 Ford, was painted by Larson's Auto Body at no cost to the town. This vehicle is now our unmarked cruiser. Our 1989 Chevy Caprice also receive a free paint job from Sutfol Auto Body. Now our three cruisers are all the same color, a bluish grey. Bob Pavia of Hopedale, did all the lettering of the cruisers, also at no cost to the town.

Chief Dennis P. Grady received specialized training in media relations and budget preparations.

Lt. J. Martin Auty, an instructor for Ma. Criminal Justice Training Council in Foxboro and Needham, conducted a 6 day seminar on alcohol and drugs, for grades five through eight. Lt. Auty teaches criminal law search and seizure, and physical training. The Lt. co-conducted a seminar on alcohol, drunk driving and Intoxilyzer.

Sgt. Philip G. Dunlavey attended a one day seminar at Massoit Community College in Brockton, on Occults and devil worship. The sergeant attended a three day program on hostage negotiations at the State Police Academy in Framingham. The sergeant also attended two days at Worcester PolyTech on proper teletype procedures, with the Ma. Criminal History Systems Board. The sergeant Co-conducted a seminar at the high school on alcohol, drunk driving and the Intoxilyzer machine. The sergeant conducted a seminar with the cub scouts and their parents on the Intoxilyzer, drugs and alcohol.

Detective Ernest H. Horn completed a six day course on shotguns and automatic weapons, and a two day course on revolvers. These were instructors courses given by the Ma. Criminal Justice Training Council in Reading. Detective Horn now instructs and qualifies all

our officers in any type of weapon. He also completed a one week course of training for detectives only.

Officer David D. Shane attended a one day seminar in Sutton on truck equipment and maintenance for police officers. Officer Shane completed a three month course on CPR, First Aid and First Responder. This course was provided by the Milford Hospital. Officer Shane is now an EMT mast.

Officer William J. McClintock completed one week of In-Service Training at the Ma. Criminal Justice Training Council in Foxboro.

I wish to thank the Board of Selectmen and all the town departments for their assistance in 1990. We look forward to working with you for many years to come. I wish to thank all the Mendon residents for their support. I thank all the officers and employees of the Mendon Police Department for their hard work and professionalism.

Respectfully submitted,

Dennis P. Grady
Chief of Police

Board of Assessors

Tax Rate Recapitulation of Mendon
Fiscal Year 1991

Regular School Committee meetings are held at the Blackstone Valley Regional Vocational Technical High School, Pleasant Street, Upton, MA on the third Thursday of each month in the School Committee Conference Room at 7:30 p.m.

The Blackstone Valley Vocational Regional School District, formed in 1963, has provided vocational-technical education for citizens throughout the thirteen (13) member towns since the unique vocational-technical institution opened its doors in 1966-67. Estimates ranging between 9,000 to 10,000 high school and adult students have availed themselves of the specialized programs offered at the vocational-technical school located on Pleasant Street, Upton, Massachusetts.

School year 1989-90 started August 23, 1989 and concluded June 8, 1990. The fully accredited vocational-technical high school (New England Association of Schools and Colleges) provided 180 days of dual instruction (Academic and Vocational Technical) for 745 young men and women in grades 9 through 12. The educational delivery system consisted of a structed academic curriculum and specialized vocational-technical preparation

delivered in a two-week alternating format organized to provide 90 days of traditional high school subjects and 90 days of specialized vocational-technical instruction.

Specialized vocational-technical programs offered included: Air Conditioning, Auto Body, Auto Technology, Computer Information Processing, Culinary Arts, Drafting, Electrical, Electronics, Graphic Arts, Health Services, Machine Technology, Metal Fabrication, Painting & Decorating, and Plumbing.

Traditional academic curriculum provided sequenced instruction at each of the four (4) grade levels with appropriate course offerings in English, mathematics, science, social studies, business, computer literacy and physical education.

Special education services were proveded for 175 students in accordance with their individual needs as determined by team evaluation.

Enrollment by Member Towns (10/1/89)

Bellingham	82	Millbury	105
Blackstone	43	Millville	10
Douglas	43	Northbridge	80
Grafton	68	Sutton	52
Hopedale	26	Upton	43
Mendon	18	Uxbridge	68
Milford	107	Total	745

Enrollment by Grades/Gender (10/1/89)

	Males	Females	Total
Grade 9	132	52	184
Grade 10	133	41	174
Grade 11	130	53	183
Grade 12	157	47	204
Total	552	193	745

The class of 1990 (grade 12 - Seniors) culminated its four years of vocational-technical preparation on Saturday, May 19, 1990. One hundred and ninety-two (192) seniors, adorned in their royal purple (144 males) and golden yellow (46 females) caps and gowns, surrounded by eight hundred (800) parents, friends, faculty and dignitaries presented themselves to the school committee as candidates to receive diplomas and certificates of vocational-technical competency.

The class was led by President Kierstin Lavoie (Grafton), Vice President Bradley Kibbe (Sutton), Secretary Laurie Mazzuchelli (Blackstone) and Treasurer Melissa Benoit (Douglas).

Chairman Kelton Johnson (Sutton) presided over the ceremonies and presented diplomas to the graduates. Mr. Kenneth Custy, retired Superintendent-Director of Tri-County Vocational School, delivered a stirring and very well-received address to the graduates. He complimented them for their achievements and reminded the young men and woman that graduation signified they were prepared superbly to pursue their aspirations as they entered "the world beyond high school."

Significantly, 89% of the graduates were committed to a confirmed endeavor—six (6) entered military, sixty-five (65) were employed in a field directly related to their training, fifty-four (54) were employed in other areas, forty-five (45) were headed to some post high school educational program. Less than 10% were uncommitted to either employment or further education.

As has been customary, one hundred and two (102) seniors aquired first hand experience in the workplace during the school year through the school's highly successful Cooperative Education program. Cooperative Education allowed eligible seniors to acquire "hands-on" experience in their chosen field of vocational-technical preparation. In spite of a general business down-turn, employers throughout the area employed students who demonstrated they were vocationally-technically competent, were passing all their studies, attended school regularly and whose personal conduct was exemplary. Cooperative Education students were paid for their services while on-the-job trainees. They were rated by the employers for the quality and quantity of their performance. In turn, the students received course grades and credit toward graduation requirements. Most were offered full-time employment upon completion of their apprenticeship.

Scholarships and grants-in-aid were awarded in the amount of $21,000. The Blackstone Valley Teachers Association distributed $4,900. The Ohio Diesel Institute awarded a $12,000 scholarship to John C. Pignartaro from the town of Sutton. Other awards were presented by the Upton Women's Club ($1,000), the Northbridge Women's Club ($500), the George L. Wood VFW Post ($400), the Upton Police Department ($200), and the Ella Risteen Foundation ($200). Several memorial foundations provided thirteen hundred dollars ($1,300) in scholarships to seven (7) deserving graduates.

An extensive extra-curricular program of activities was available for students during 1989-90. "Valley Tech", a charter member of the Dual Valley Conference, competed with teams in cross country, boys and girls soccer, boys and girls basketball, softball and baseball. The baseball team qualified for district competition for the third successive year. The Valley Tech track and field team completed another very successful year of competition.

Each of the classes (grd. 10,11,12) elected class officers and engaged in several class activities. The highlight of the year, the Junior-Senior Prom, was attended by well over one hundred and fifty couples. The gala event was held April 17, 1990 at the Royal Plaza Ballroom, Marlboro, MA.

Two annual blood drives (October 11, 1989 and March 14, 1990) managed by the Junior class, generated over two hundred (200) pints of blood for the Americal Red Cross.

Students involved in Vocational Industrial Clubs of America competed with other vocational-technical students at regional, state and national levels. Nine (9) "Valley Tech" students distinguished themselves in state competition by winning medals in Machine Technology, Metal Fabrication, Automotive Technology and Graphic Arts. Two qualified compete in the national competition at Tulsa, Oklahoma in June. John Pignataro (Sutton), winner of a state gold medal in Automotive Technology, and Alicia Renaghan (Bellingham), elected as a VICA state officer, journeyed to the far west as members of the Massachusett contingent of VICA competitors. "Friends of Valley Tech" and VICA activities raised the funds to sponsor the two students.

In another major state-wide competition sponsored by the Chrysler Corporation, "The Annual Trouble-Shooting Contest", a team composed of John Pignataro (Sutton) and Keith Talbot (Sutton) earned second place honors. The team scored highest of all teams in the written exam, one of the two segments of the competition.

Other services provided by the vocational regional school district included an Adult Evening Program. Two semesters, fall and spring, were organized to offer sixteen (16) vocational-technical courses and fourteen (14) avocation courses. Over two hundred and fifteen (215) men and women, each semester, paid fees ranging from $55 to $135 to take self-improvement courses taught on Tuesday and Wednesday evenings from 6:30 to 9:30 PM.

In conjunction with American Education Week (November 13-17, 1989), the school opened its doors for public vewing. The Annual Open House held on November 15, welcomed over 1200 visitors who were treated to specialized exhibits and programs. The broad spectrum of vocational-technical education, organized to prepare young men and women for the future, was fully displayed.

The school's Three Seasons Restaurant, a training component of the Culinary Arts Program, served daily luncheons to the public throughout the school year. The restaurant is noted for its excellent cuisine and service as evidenced by its broad mixture of patrons who hail from throughout Worcester County.

Among its distinctions, the school district once again was recognized for its efforts in energy conservation. New England Electric and the Commonwealth provided grants in the amount of $32,480 to reduce power consumption. Students from the Electrical Program, as part of their training, were engaged in replacing less efficient electrical devices and motors with more efficient components throughout the facility. The effort proved to be very successful. Energy consumption was reduced by 20%, both in kilowatt hours and fuel oil used.

The overall effectiveness of the Blackstone Valley Vocational Regional School District was directly related to those who contributed countless hours of time and effort throughout the year. Foremost among the contributors were the thirteen (13) elected school committee members, the fifteen (15) general advisory committee members and the eighty (80) craft committee members, the parent advisory committees and involved industrial partners. Of particular note were industrialists in the Metalworking fields (Machine Technology and Metal Fabrication). Through their diligence, the Metalworking Partners developed a unique progam called "Mentoring." Individual students in Machine Technology and Metal Fabrication were matched with regional companies for the purpose of expanding interest and encouraging students to learn and excel in their pursuit of satisfying careers.

The nationally recognized ASSET Program graduated twenty-one (21) post-secondary students in May 1989. Sponsored by the Ford Motor Co. in conjunction with Quinsigamond Community College and the Blackstone Valley Vocational Regional School District, graduates earned an Associate Degree in Applied Technology. The two year program of study included apprenticeship training at cooperating Ford-Mercury dealerships within the Commonwealth. Each graduate was employed as a sophisticated automotive diagnostician by the dealers. A fourth class was enrolled in August 1989.

On June 26, 1990, following an intense evaluation of Automotive Technician Program standards, the National Automotive Technicians Education Foundation, Inc. Awarded its highest level of achievement to Valley Tech. In its letter of congratulations, the National Institute for Automotive Service Excellence stated that, "only a small percentage of educational institutions qualify for the distiction which certifies commitment to qualify automobile training."

Whatever success or positive development students experienced during 1989-90, it was attributable to the school's dedicated service providers teachers, instructors and support staff. A highly competent and skilled group of people—professional and non-teaching personnel-combined their many talents with personal devotion to provide an educational system second to none. Below are numbers of employees who served the district.

Professional Staff		**Support Staff**	
Voc-Tech Instructors	37	Teachers Aides	6
Academic Teachers	24	School Nurses	1.75
SPED Teachers	6	Secretarial/Clerical	6
School Counselers	3	School Lunch Employees	12
Reading Specialist	1	*Facility Manager	1
A/V-Librarian	1	*Custodial Staff	6.5
Coordinators/Supervisor	4	*Financial Coordinator	1
*Assistant-Director	1	*District Bookkeeper	1
*Student Services Director	1	*Secretarial/Clerical	3
*Superintendent-Director	1		

Note: * Denotes full year assignments-others are school year assignments. Twenty-one (21) regular bus routes provided transportation to/from school for one hundred and eighty (180) days during 1989-90.

Due to declining high school enrollments throughout the Blackstone Valley Region, the School Committee initiated a reduction plan designed to hold appropriations at this year's level for 1990-91. Everyone is cognizant of the dilemma caused by the state's fiscal crisis. Maintaining quality education in the face of less state aid presents an extraordinary problem for those held responsible to direct and manage institutional affairs. It especially will be difficult to lower costs in light of the fact that in expenditures per pupil, when compared to similar vocational regional schools , Blackstone Valley Regional Vocational Technical High School ranked 27th out of 30 schools.

The School Committee and school administration are pleased to submit this report. Each genuinely believes the vocational regional school district's performance has met every expectation, has continued to be vital resource for the thirteen (13) member towns and has provided excellent vocational-technical education at minumum assessed costs for services rendered. This educational enterprise, measured objectively, has delivered on its commitment to the citizens of the Blackstone Valley Region as was envisaged twenty-four (24) years ago. Continued operation is dependent on the cooperation and support of all who value comprehensive and measurable education.

Respectfully submitted,

Eugene D. Picard
Superintendent-Director

BLACKSTONE VALLEY VOCATIONAL REGIONAL SCHOOL DISTRICT 1989-90

MEMBER TOWN ASSESSMENTS

TO THE CITIZENS OF MENDON AND UPTON

Our goal of educational excellence is being challenged because of the decreasing commitment from State and community budgets to provide the necessary funds for school and town agencies. The right to educate our students has become a more difficult task. It is becoming more evident that the regional school funding process is in serious jeopardy. The responsibility and costs associated with educating our children falls heavily on each community. As citizens, we cannot stress the importance of the need to educate our youth. Education should represent one of our highest priorities and reflect the commitment of all citizens. Our shortsightedness now, could lead to catastrophic consequences in the future.

The 1990-1991 budget was developed to provide minimum support to the district's educational standards and to continue to provide students with the best possible educational opportunities. The effects of these actions have resulted in a negative growth budget. The negative growth budget was further diminished by a State reduction in August of 1990 of $112,438. Therefore, the previous 1989-1990 budget of $5,884,928.09 has been decreased from the 1990-1991 budget of $5,658,106.09 by ($226,822). The effects of these cuts are as follows:

1. Jeopardizing the quality of education being provided to our students.
2. Increased class size.
3. Elimination of programs affecting certain test score areas.
4. Limiting our ability to provide a full instructional program at all levels.

The following cuts represent drastic measures taken by the Mendon-Upton Regional School District Committee over the last two years.

BUDGET REDUCTIONS

Nipmuc Regional High School

Program	Position	Comment
GED/SPED	1 FTT	Elimination of program
Business	1 3/7	Reduction in program by 1/2

OPERATIONAL BUDGET

•Textbooks	Second year zero funding & proposed for 91-92
•Library Books	Second year zero funding & proposed for 91-92
•Replacement Instructional Equipment	Second year zero funding & proposed for 91-92
•Acquisition Instructional Equipment	Second year zero funding & proposed for 91-92
•District In-Service	Fifty percent reduction
•Student Body Activities	Fifty percent reduction
•Athletics	Fifty percent reduction
•CTBS Testing	Two years zero funding
•Instructional Supplies	Third year same level. All accounts frozen at mid-year to balance budget.
•Rubbish Removal	Forty percent reduction
•Utilities	Ten percent reduction

•Maintenance Buildings	Fifteen percent reduction
•Maintenance Equipment Replacement	Second year zero funding & proposed for 91-92
•Maintenance Equipment Acquisition	Second year zero funding & proposed for 91-92

SCHOOL RENOVATION PROJECTS UPDATE

After approval last spring, the school district began the process of $1,056,000.00 repair improvement projects at Nipmuc Regional High School, Miscoe Hill Middle School, H.P. Clough Elementary School and Memorial Elementary School. I am happy to report that the projects as follows have been completed.

1. Roof renovations: Nipmuc, Clough and Memorial.
2. Replacement of boilers and outside fuel tanks at Nipmuc, Clough and Memorial.
3. Asbestos removal and reinsulation at Nipmuc, Clough and Memorial.
4. Entrance doorways at Nipmuc and Clough.
5. Gym floor repair at Miscoe Hill Middle School.

Immediate savings have been noticed in the consumption of oil at each school site. I would like to thank all the citizens for their support in the completion of these projects. The cost of the projects will have lasting benefits which will provide the communities of Mendon and Upton with improved and efficient facilities for the next 20 years.

INSTRUCTIONAL

Improving student instruction is always a constant and important goal of the school district. The State Assessment testing which was taken in the Spring of 1990 indicated that our students fell within the designated KOC band at all levels. Testing occurred in grades 4, 8, and 12. Some sub tests such as library skills indicated a downward trend. This score is reflective of budget reductions and curtailment of student services in the library area. There is a direct proportional relationship between service program scores and student outcomes. At Miscoe Hill Middle School, heterogeneous grouping practices are an important goal. In early Fall, the middle school schedule was revised to accommodate student grouping and teacher planning for the implementation of a heterogeneous instructional structure. This recommendation for alternative grouping practices had been suggested by the NESDEC middle school evaluation team that visited Miscoe Hill.

Other instructional options are currently being explored such as cooperative learning, sharing instruction and student based research projects. We are proud of our schools and the challenge to grow and improve all of our educational services is an important and constant goal. In these difficult times, bonding staff and creating an environment that is conducive to

learning is being strained by economic and societal factors. We trust that all the citizens feel the same sense of responsibility as the members of the school community who believe sound education is not an alternative but an obligation.

Respectfully submitted,

John DiLegge, Chairperson
William C. Young, Vice Chairperson/Treasurer
